EDUCATION DEPARTMENT

Directorate of Education

Order

No. DE/Acad. I/37/SEZ/32/89/part-file/81

Ref: 1) This office memorandum No. DE/Acad. I/157/SEZ/32/89/part-file/1070, dated 23-4-93.

2) Reply under letter No. SAHS/1992-93/1497, dated 8-5-93 from the Manager of St. Anthony's High School, Assolna.

The Department of Education had been in receipt of a number of complaints from Mrs. A. M. Almeida, the seniormost graduate cadre teacher of St. Anthony's High School, Assolna against the persistent harassment meted to her at the hands of the Management of the said school. All these complaints were enquired from time to time and instructions were issued to the said management to rectify their illegal actions to remove the injustice done to Mrs. A. M. Almeida. However the said management adopted stubborn attitude and persistently flouted instructions issued to them in the matter continuing thereby to victimise the said teacher, which act on their part was prejudicial to the healthy

administration of the school and so entire affair was prejudicial to the public interest on account of the constant confrontations and tensions which prevailed in the school for over years. In view of this, Government deemed it fit to revoke the provisions of Section 20 of Goa, Daman & Diu Education Act 1984 and the management of the said school, by memorandum No. DE/Acad. I/157/SEZ/32/89/part-file/1070, dated 23-4-93 was directed to show cause as to why the Management of said school should not be taken over by Government as per provisions of Section 20 of Goa, Daman & Diu School Education Act 1984 on the basis of the following four instances as mismanagement of the affairs of the school.

1. Mrs. Irene Pereira, Headmistress of the said High School retired w.e.f. 1-5-1985 and Mrs. A. M. Almeida, the seniormost Assistant graduate teacher was fully qualifying for the promotion to this vacant post of Headmaster. However the management of the said school set aside her claim alleging that there were adverse observations in the annual confidential reports of Mrs. Almeida for last few years. Though after thorough enquiry the said so called adverse remarks were expunged by this office, the management was adamant to defy the Department and appointed one Mr. Conception Almeida, another junior Assistant teacher as Headmaster allowing supersession of Mrs. Almeida. Though this office did not approve the appointment of Mr. Almeida and time and again directed to the management to restore claim of Mrs. A. M. Almeida by appointing her as the Headmistress, the management has not done so for over last seven years and the academic and administrative affairs of the school are still left in the hands of unauthorised person.

2. At this juncture, this office again upheld the claim of Mrs. A. M. Almeida for the said post of Headmaster but the Management again flouted the instructions of this Department and appointed one Mr. Conception Almeida as Headmaster of said school w.e.f. 1-5-1985, since Mr. Almeida was junior to Mrs. A. M. Almeida, this Department did not approve his appointment but the Management had adamantly retained Mr. Conception Almeida in the office of the Headmaster of the said school, without approval or sanction of scale as Headmaster to Mr. Almeida by this office.

3. Mrs. A. M. Almeida, the seniormost graduate teacher to whom the promotion to the post of Headmaster is adamantly denied by the school, availed leave for a period from 28-1-91 to 8-2-91. The said teacher sent two notes dated 28-1-91 and 5-2-91 to the Management informing the compulsive circumstances for her remaining away from duties. The notes clearly assured that she would be complying with the formalities on joining to duties to regularise her absence by way of leave. The Management did not raise any objection to this till 13-2-91 and on 13-2-91 issued a show cause notice asking therein to the teacher to show the cause as to why the absence from 28-1-91 to 8-2-91 should not be treated as break in service as this absence was without prior approval of the Management. After examining this case in detail, this office by letter dated 23-4-92 directed the said Management that this case was very much within the provisions of Rule 100(a) (vii) of Goa School Education Rules, 1986 and accordingly the leave of said teacher should be sanctioned and payment be made.

Even after repeated correspondence the said Management has not complied with the said instructions and had adopted an attitude to victimise the said teacher thereby creating the uncondusive situation in the school for Academic programmes.

4. Mrs. A. M. Almeida the seniormost graduate teacher was awarded selection grade w.e.f. 16-6-1973. Mr. Conception Almeida was awarded senior scale w.e.f. 8-7-83 and thus the school has two posts in the senior scale by this day. Since Mrs. A. M. Almeida has completed 12 years of services in selection grade/senior scale by 1-1-1986 and since there are two posts of senior scale in the school w.e.f. 1-1-86, Mrs. A. M. Almeida the senior one among these two teachers is eligible for the selection scale. This matter was brought to the notice of the said Management but the said Management has denied this position and has not yet granted senior scale to Mrs. A. M. Almeida who is due for it w.e.f. 1-1-1986.

In response to said memorandum dated 24-4-1993 the Manager of St. Anthony's High School, Assolna submitted their say by their letter No. SAHS/1992-93/1499, dated 8-5-93 refuting therein all the four instances of mismanage-

ment pointed out to them. Their say against each of the irregularities was examined in detailed and was not accepted for the reasons as stated below:

**1 & 2.** The Management states that the claim of Mrs. A. M. Almeida for the post of Headmaster was rejected for tangible reasons as made known to the Department of Education in part.

This say of the Management was rejected in past to and its reasons are very much clarified in the memorandum itself. The Management had insisted to be stubborn on the grounds of its adverse observations made in the annual confidential reports of Mrs. Almeida though after thorough enquiry in this matter, this Department has rejected to accept these adverse observations which were made without following the due procedure. This Department had also expunged the said adverse remarks and hence the case of Mrs. A. M. Almeida was to be considered as if the said adverse observations did not exist.

The claim of the management that the appointment of Mr. Conception Almeida made by the Management by superseding claim of Mrs. A. M. Almeida was approved by the Hon'ble Administrative Tribunal is not correct. The Hon'ble Administrative Tribunal has delivered the judgement limiting to the point as to whether any such appointment made by the Management needed any approval from the Department. The matter of supersession of Mrs. A. M. Almeida was not the point for considering the merit by the Hon'ble Administrative Tribunal and hence the contention of the said Management that the matter of said supersession is approved by the Administrative Tribunal is not correct.

**3.** The matter of leave of Mrs. A. M. Almeida for the period from 28-1-91 to 8-2-91 was also considered in past by the Department and after thorough enquiry in this matter the need of the said leave was upheld. The two intimations dated 28-1-91 and dated 5-2-91 was submitted by Mrs. A. M. Almeida in connection with the said absence were held to be sufficient and reasonable for the Management to regularise the said leave. The said Management was informed atleast on three occasions by our letters dated 23-4-92, 3-6-92 and 9-8-92 giving full details about our decision on this matter and the Management has yet not responded as directed to them. The Management has still maintained their old stand which was rejected in past. Their say that medical certificate was essentially be submitted with the intimation for absence, is not correct and entire matter was to be strictly considered by giving due thought to the circumstantial emergency of the matter. The Management is still adamant on this matter with clear intention to victimise the teacher which is totally unfair to serve any public or academic interest of the school.

**4.** In the matter of selection scale to Mrs. A. M. Almeida the management had earlier taken a view that there are no more teachers in senior scale and hence no post of senior scale could be converted for selection scale. The management had also gone to the extent stating that Mr. Conception Almeida the other graduate teacher is not in the senior scale though factually he was drawing that scale.

However now the Management has put forth different reason that since they do not have minimum of five graduate teachers in senior scale, no post can be converted for selection scale and hence Mrs. Almeida cannot be given that scale. This explanation is acceptable to the Department and hence the charge in the fourth para of the said memorandum is set aside.

Nevertheless, it is clear that the Management by its stand has failed to restore the rightful claim of Mrs. A. M. Almeida for the post of the Headmaster and has also adopted attitude to victimise her by rejecting her the most needed leave of absence which she applied for, within the frame work of the rules to that effect as explained in our letter No. DE/Acad.I/157/SE/Z/32/part-IV/89/989, dated 23-4-92 it is necessary to take such steps as are required to set these matters correct in the interest of the conducive conditions that are desirable to prevail in the school for the cause of education in particular and public interest in general. Since the management, even after continuous persuasion, is stubborn on its stand, there is no alternative left before to order to take over the management of said school to enable us to set the matters correct.

Therefore Government hereby orders that the Management of St. Anthony's High School, Assolna which runs St. Anthony's High School, Assolna be taken over by the Government with immediate effect for a period of three years in the first instance under the provision of sub-section 1 of Section 20 of Education Act, 1984 and for which purpose Smt. Meera Deo, Dy. Education Officer, South Educational Zone Margao be appointed as Authorised Officer on behalf of the Director of Education, Government of Goa. Smt. 4. Be responsible to visit the school or cause to visit the school as frequently as possible so as to ascertain that the school functions at right times and all the employees of the school including the Headmaster discharge their duties sincerely, honestly and efficiently to the satisfaction of the public and Department.

6. Be responsible to comply with the various financial irregularities as pointed out by the Departmental Audit and action may be proposed against the responsible persons for misappropriation of the public money and also see that proper account and registers are maintained and brought upto date.

The Government is also pleased to order that:

- (ii) School fund, school staff account fund and pupils fund shall be made available to the Authorised Officer for being spent for the purpose of school; and that
